Big Give  
September 17th & 18th  
Support GHWH in the Big Give SA

# What does the school say about homework?

We believe that the majority of class time should be spent in the collective pursuit of what is true, good, and beautiful about a specific subject. Homework time, then, is reserved primarily for reading and for meaningful independent activities that support the curricular objectives of a given course. Students should expect to do meaningful homework each night.

# Attendance

Attendance is taken daily at 9:40 a.m. Please have your scholar present at that time to be marked present for the day. If they are not in class by that time, they will be marked absent for the day. If your scholar is absent, please send a doctor's excuse or a parent note. You can send your excuses and notes to the attendance email [ghwhattendance@greatheartstxschools.org](mailto:ghwhattendance@greatheartstxschools.org).
