Dear Fifth Grade Families,

As we close out this year, we are thankful for your health and safety but we definitely will miss your scholars.. We did not finish the school year as we had hoped, but are thankful for your student's participation in the many zoom meetings we hosted. We appreciate all your support and look forward to seeing them the following school year. Their academic growth is notable, but even more importantly, their care and concern for others during this challenging time.

We are also very happy for Mrs. Allen and the newest addition to her family, Silas Ray Allen, born on May 6, 2020. The fifth grade has another new member on our team!

Have a wonderful and enjoyable summer!

Kindly,

Your 5th Grade Teachers

For the sake of academic honesty, please help the students be accountable for doing the portions of the work that were designated as Independent work. If you notice that from the student's answers that they need some help better understanding the directions or the content, feel free to reteach or review the content or directions with your student before allowing them to make a second attempt. Reach out to your scholar's teacher via email if you need further assistance.

My scholar has completed Friday's Assessments to the best of his/her abilities and I have directed these assessments with my child's academic integrity in mind.
