- Families with only Upper School **AND** Families with both Upper and Lower School Scholars will use the Upper School for pick up in the afternoon

Drop off at GHWH

Drop off will run from **7:15-7:48 A.M. in each lot**. Both Schools will begin promptly. Students not in their classrooms for attendance by **7:50 will be considered tardy**. Families arriving after 7:50 will need to park in the Lower School Lot and sign in their children at the front desk.

The left lane into the campus will be closed on Ingram Rd. and Midhurst Ave. Only faculty will be allowed to enter through these exits until 7:15. The officer will not allow you to enter through the Faculty Entrance.

Pick Up

ALL students must be picked up by 4:25 (2:25 on early release days) unless they are enrolled in an after-school activity or atheneum. GHWH has more than 800 students. Please do not stop and get out of the vehicle to buckle in your child. Please teach your child how to do this independently. This will be necessary to keep the traffic flowing. Please enter the lower school lot through the right lane on Ingram Rd. (front of campus) and the Upper School lot by using the right lane from Midhurst Ave (back of campus).

Placards: Each student will be issued a car placard with their name and a number associated with their family (all students in one family will have the same CURB number) on it. Please place the placard visibly on your windshield. This will allow traffic captains to enter names into our dismissal system. This system will enable us to identify cars for students, families with siblings, and carpools. Please email Mrs. Arredondo if your child is carpooling or need a placard replacement in Lower School criselda.arredondo@greatheartswesternhills.org or Mr. Griffin in Upper School graylyne.griffin@greatheartswesternhills.org.

Notice: The city has mandated that vehicles parked on Midhurst will receive a ticket. In the state of Texas, cell phones are not to be used while operating a motor vehicle, including the school lots.

Turning left on Ingram Rd is prohibited. Turning Left on Midhurst is prohibited. It is dangerous and you may be ticketed.

Early Drop Off

Please do not drop off your children before 7:15 am. No child should be left unattended. There is no supervision for students dropped off before 7:15 a.m. so we highly suggest students not arrive before that time. Parents will not be allowed to walk students into the building. Faculty will utilize the exit to enter into the parking lot. Faculty will have a placard to indicate that they are faculty. Families that have children in the upper and lower school will enter through the lower school.

Tardy

K-6 students arriving late to class (after 7:50) will be required to stay in the first 10 minutes from their first recess to complete the missed bell-work activity and fill out their HW agenda. Once the student receives three tardies, communication will be sent by the Dean to parents and further consequences may be assigned. 7th & 8th-grade students who arrive late to any class 5 periods will be issued lunch detention. In a case of excessive tardiness, parents will be notified and further disciplinary measures according to the Student Code of Conduct may be taken or may lead up to a parental meeting with the attendance committee.

Parents will need to come into the Lower School Lobby to drop off their K-8 students. Children who are not able to walk to their classroom from the main office will be accompanied by school personnel.

Additional Guidelines

In order to change a scholar's regular daily dismissal routine, (i.e. Walking/biker, a different person picking the student up, atheneum), parent/guardian must contact the Main Office before 12:00 p.m.; office staff will verify student information, and communicate the routine change to the homeroom teacher.

Early Pickup

When you pick up your child before 2:30 pm (12:30 early release), valuable instructional time is lost. It is also a disruption to the classroom. However, we will work with you for occasional early pick-ups. We discourage frequent early pick-ups.

Parents/guardians picking up a student prior to 2:30 p.m. must park in a designated parking space, i.e. NOT in the handicap space or along the red curbed fire lanes.

Parents are required to show an I.D. and must sign out their student(s) in the Lobby. The receptionist will contact the teacher to dismiss the student to the Main Office, prepared to go home. In an effort to maintain an appropriate closure to the instructional day, early dismissal of

students after 2:30 p.m. will not be permitted as faculty prepare for pick up. Children will be released to authorized people only.

Parents can not call ahead to request their scholar be ready at the lobby upon arrival for early checkout.

Walkers/Bikers

An important note about walking home: At the end of the day, walkers/bikers are dismissed to leave the school property alone. Our staff members on duty will not wait with walkers/bikers until an adult picks them up. We do not supervise walkers/bikers. If you indicate your child is a walker/biker, you will need to come on campus and sign a walker/biker waiver allowing the scholar to leave school property without an adult. Please ensure your child knows the backup plan if you generally meet them but are running late.

After School Pick up:

All students MUST be picked up by 4:25 pm (2:25 pm on early release days) unless they are enrolled in an after-school activity. After 4:25 pm (2:25 pm on early release days), parents must park, enter the main entrance, and sign out their student(s). Late fees will apply at a rate of \$1/minute. All students should be picked up within 10 minutes of the scheduled end time for clubs, tutoring, or sports. Any student not picked up by this time will fall into the above policy. Siblings of students in clubs, tutoring, or sports, MUST be picked up by 4:00 pm, or may enroll in Athenaeum, otherwise will incur the late charge.

Refusal to pick up

In the rare event, a scholar's health or behavior is severe enough to require removal from campus, the Nurse and/or Admin will attempt to contact the scholar's parent/guardian. If parent/guardian is not available, nurse and/or admin will attempt to contact approved emergency contacts listed in the scholar's file. Once the nurse and/or Admin have spoken to the scholar's parent/guardian or emergency contact, the scholar should be removed from campus within 30 minutes of confirmed contact.

If parent/guardian is unable to be contacted or refuses to pick up their scholar who is experiencing a severe health emergency, the nurse may take the following course of action; call 911, call the department of children's service to file a claim, make the necessary arrangements for the scholar's removal from campus.
