

Classics-to-Keep Costume Proposal for Character Dress-up Day

Name: _____ Grade/Section: _____ Teacher: _____

I would like to be _____ for the book,

_____.

I plan on wearing

Please remember that the character you choose should be from one of the Classics-to-Keep from the K-8 list, a grade level read-aloud, Greek or Roman Mythology or a historical character from our curriculum. It's very important that your character look like the author's description of the character and not a movie version. If your costume will be at all see through, you must wear your uniform underneath. If you choose not to participate, you will need to come in uniform.
