TEACHER SHOUT OUT

Once Upon a Time in first grade, they learned about fairy tales and had their first celebration. Great job, first grade team! You really made the stories come alive.

Parent Resources

Are you looking for resources to help your child with Spalding, Math, or even tips on how to study their poems? Check out our Parent Resources Page on our website.

Thank you to the 180 parents, family members, and loved ones in our Great Hearts Western Hills community that helped us raise \$26,561 during the Big Give. We could not have done it without you and are incredibly grateful for your incredible generosity!

Go Spartans!

Parent Teacher Conference

October 13th & 14th

For the 2025-2026 school year, Lower School parent teacher conferences will be held on October 13th & 14th and January 8th & 9th. We ask that families plan to attend BOTH parent teacher conferences. You can attend your student's conference in person or via Zoom.

What can I expect from my student's parent teacher conference?

At your parent teacher conference, teachers will share:

- updated grades
- review important student work samples
- share updated benchmark testing results
- provide resources to be able to support your student at home
- explicit student goals for 2nd semester
- share DOI/SOW & what that means for the student
- update on AEP hours (only for students receiving HB1416 support)

As a parent, you will be able to:

- learn more about your student's present levels
- how your student is performing in class
- meet with your student's, art, music, PE and Spanish teachers
- ask questions or get clarification about how your student is doing behaviorally and socially while at school

Parent teacher conferences are for parents ONLY. Please plan to find a quiet space out of earshot of your student if you choose to participate via Zoom. If you plan to attend in person, please make other arrangements for your children, as there will not be any supervision for them while you are attending the in-person conference. It is important that teachers are able to speak candidly with you, knowing that you will choose how to share the information you gather with your student as you feel necessary.

Scan the QR Code below for more information and to sign up for Parent Teacher Conferences.
