

Senior Photo Board Tradition

To celebrate our seniors each and every year, we ask that each family make a tri-fold board highlighting their senior through pictures. This will be displayed at the Senior Brunch on Saturday, May 9th!

Please use a standard tri-fold poster board (no larger than 36x48) so that it can stand on a tabletop (no topper or header attachment please).

Feel free to include baby pictures up through their current day and everywhere in between! Also, be sure to put your student's name on the board.

Turn in your completed poster to the front desk on Friday, May 8th so that it can be included in the Senior Banquet decorations!

Here is an example:

Thank you for helping us add a special & thoughtful touch to our Senior's Banquet! We're so excited to celebrate our seniors and their families at this exciting time!

Also, don't forget to RSVP for your Senior & for the parents that can attend the Banquet on May 9th! RSVP cards were in your Senior's paper invitation and should be returned to the front desk before May 1st. Please purchase your parent tickets (students are free) here ASAP:
